- Comes standard with adjustable front-mount squeegee and dry application accessories

Description

Wet-Dry Vac

The Wet-Dry Vac by Hawk Enterprises is perfect for large volume recovery of liquids, slurry, and solid wastes. This 20-gallon model is built with a strong roto-molded, easy-to-clean tank for years of trouble-free service.

The tank moves with two 10-inch wheels and two 4-inch front swivel casters, steered with a black powder-coated steel handle.

Comes standard with adjustable front-mount squeegee and dry application accessories. Dry kit contains one (1) acid /mildew-resistant, non-pleated washable synthetic cloth dust bag, plus dust hose and various attachments.

Features

- For wet or dry applications
- 20-gallon model (17 gal. Wet / 1 Bushel Dry)
- 2 HP (1.5kW) 2-stage heavy duty bypass motor
- 115V, 60 Hz
- An automatic liquid shut-off prevents motor flooding with foam or solution
- Quiet operation – 78 dB. Meets GS42 standard.
